Cub Scout Themes

August WAVES OF FUN

Jump in and make a BIG splash with fun activities that explore water and waves. There is an adventure waiting in one of Earth's final frontiers, the depths of the ocean floors. Creatures never imagined before can be found there. What kinds of animals do live there? What does the ocean floor look like? The den could discover what makes a boat float, learn about different sea vessels, and even make their own boats. The pack can celebrate this month with a beach party (no beach required) and family picnic as they enjoy the great outdoors. Top it off with a raingutter regatta. Complete the requirements for earning the National Summertime Pack Award. This is a fun month to bring a friend! This is a wonderful opportunity to teach water safety and practice the buddy system while having fun and earning the Swimming belt loop and pin.

September CUB SCOUT INVESTIGATORS

What happened to the cookies in the cookie jar? Let's find out. Learn techniques that the police use to solve crimes. Use microscopes, dust for fingerprints, and learn observation techniques. Visit your local police department and find out how to contact them in an emergency. Show your respect for law enforcement by thanking them for what they do. This would also be a great month to use your investigative skills to find friends to join Cub Scouts.

Akela's Council

Make Your Pack and Dens Great by Attending Akela's Council for the Best Cub Scout Leader Training Anywhere!

What Is Akela's Council? This is an exciting 4 1/2 day Cub Scout Leader Training for those who have completed the Leader Basic Training. This fast-paced and inspiring training covers den doodles, den yells, relationships, Cub Scout forms, resources, Sports/Academic program, skits, puppets, charter renewal, BSA policies, insignia, Webelos Outdoor Experience, Cub Scouts with disabilities and much more.

Youth Protection Training

Changes Effective June 1, 2010

Recently, the Boy Scouts of America announced important changes to its Youth Protection policies. The purpose of these changes is to increase awareness of this societal problem and to create even greater barriers to abuse than already exist today in Scouting.

- Youth Protection training is required for all BSA registered volunteers, regardless of their position. *(This includes Merit Badge Counselors. This and other Merit Badge Counselor training is offered each month at Roundtable beginning June 2010.)*
- New leaders are required to take Youth Protection training before submitting an application for registration. The certificate of completion for this training must be submitted at the time the application is made and before volunteer service with youth begins.
- Youth Protection training must be taken every two years. If a volunteer's Youth Protection training record is not current at the time of recharter, the volunteer will not be reregistered.
